### **Panorama on Tunisian Real Estate in Paris**

The second edition of the Tunisian Real Estate Fair in Paris (SITAP) is to be held from June 12 to 14, 2009, in the prestigious Espace Champerret exhibition hall in Paris's 17<sup>th</sup> arrondissement. ORSAF (Organisation de Salons et Foires), based in Tunis, is organising this now annual event in the French capital as close as possible to the French public and the many Tunisians living in France.

Hot on the heels of the success of the 2008 edition and taking account of the strong demand by Tunisian real estate developers and the enthusiasm of the visitors themselves, ORSAF will be offering a vast exhibition space covering 10,000 square metres able to accommodate the anticipated 60,000 visitors and 200 exhibitors as well as the possible participation of the foreign investors and decision-makers for the megaprojects envisaged in Tunisia (Sama Dubai, Boukhatir group, Bizerte Marina, etc.)

For all those who love Tunisia, for Tunisians living in France and Europe and investors, SITAP 2009 offers the ideal platform to enable you to fulfill your dreams of acquiring a property or to provide help with the necessary formalities by bringing together all the different people concerned under one roof. Real estate promoters, study bureaux, real estate agencies, developers, construction companies and banking, credit and insurance entities will all be present in this 2009 edition.

With its welcoming atmosphere and easy access (metro, bus, parking), the exhibition hall will be the focus for meetings and exchanges between the different participants. After your visit to SITAP 2009, Tunisia will seem even more beautiful and nearer to you.

Various French and Tunisian media (television, radio, written and online press) will also be collaborating with the event to stage an exhibition and to bring together all those who love our gentle Tunisia in the heart of the French capital
